Works as a Lab Manager Drives lab efficiency

See a complete picture of your lab's current state on one screen. Color is used to instantly alert your staff when their attention is required. As a Lab Manager your APEX 30 will monitor the status of your orders from

start to finish providing details about percent of completion as it progresses. The APEX 30 will immediately alert the operator whenever their attention is needed. Detailed instructions are posted to assist resolution. Orders are automatically kept separate eliminating order mix-ups.

Benefits include:

- Incredibly easy to use workflow and user interface – train your staff in less than an hour
- Trusted KODAK quality prints that are stain resistant, waterproof and will last a lifetime*
- HD Touchscreen monitor provides more vibrant and brighter graphics and improved viewing angle
- More printing in less space
- Low capital investment
- Efficiency that's easy – one sku delivers two finishes (gloss and satin) (4x6 in., 5x5 in., 6x6 in., 8x8 in., 5x7 in., 6x8 in. and panoramic sizes including 8x14, 8x16, 8x20, 8x24, 8x32, 8x36 in.)
- Reduced complexity and operating costs
- Produce greener prints with less environmental impact – no processing chemicals, consumes 70-90% less energy than comparable AgX minilabs
- Connect your remote KODAK Picture Kiosk locations to the central APEX system to fulfill overflow orders

- Add the KODAK D4600 Duplex Photo Printer to your bundle to make high-quality photo books, calendars and 4x8 inch cards
- Add KODAK DL2100 Duplex Printer to your bundle to make instant greeting cards and calendars
- Add EPSON SURECOLOR P6000 Printer to make poster size prints on your choice of premium paper such as canvas, metallic and repositionable media
