

Simply powerful performance. Improved profit potential.

The KODAK Adaptive Picture Exchange 70 (APEX 70) combines the peak performance of the APEX 40 with the versatility of the APEX 30 to give you amazing results. Its ease of use and high volume output provide strong profit potential for your stores. The APEX 70 solution holds up to four of our KODAK 7000 Series Photo Printers - double the capacity for standard prints sized up to 6x8 in. Add up to two KODAK 8810

Photo Printers to deliver exciting premium products in both 8x10 in. and 8x12 in. sizes. Ideal for mid-high volume photo shops.

Works as a Lab Manager Drives lab efficiency

See a complete picture of your lab's current state on one screen. Color is used to instantly alert your staff when their attention is required.

As a Lab Manager your APEX 70 will monitor the status of your orders from start to finish providing details about percent of completion as it progresses. The APEX 70 will immediately alert the operator whenever their attention is needed. Detailed instructions are posted to assist resolution. Orders are automatically kept separate eliminating order mix-ups.

Benefits include:

- Incredibly easy to use workflow and user interface – train your staff in less than an hour
- HD Touchscreen monitor provides more vibrant and brighter graphics, and improved viewing angle
- Trusted KODAK quality prints that are stain resistant, waterproof and will last a lifetime*
- More printing in less space
- Low capital investment
- Efficiency that's easy – one sku delivers two finishes (gloss and satin) (4x6 in., 5x5 in., 6x6 in., 8x8 in., 5x7 in., and 6x8 in. and panoramic sizes including 8x14, 8x16, 8x20, 8x24, 8x32, 8x36 in.)
- Reduced complexity and operating costs
- Produce greener prints with less environmental impact – no processing chemicals, consumes 70-90% less energy than comparable AgX minilabs
- Connect your remote KODAK Picture Kiosk locations to the central APEX system to fulfill overflow orders
- Add the KODAK D4600 Duplex Photo Printer to your bundle to make high-quality photo books, calendars and 4x8 inch cards
- Add KODAK DL2100 Duplex Printer to your bundle to make instant greeting cards and calendars
- Add EPSON SURECOLOR P6000 Printer to make poster size prints on your choice of premium paper such as canvas, metallic and repositionable media
