Adaptive Picture Exchange 40

The ultimate flexible and scalable dry lab solution

Get organized. High quality, effortless production.

The KODAK Adaptive Picture Exchange 40 (APEX 40) keeps your shop running smoothly. Our 8-print tray order management system lets you print up to eight orders without interruption—virtually unattended. So, you can spend more time with your customers—upselling premium products and services. For fast, easy, efficient printing that delivers KODAK Quality prints consumers prefer, choose the APEX 40.

KODAK Adaptive Picture Exchange (APEX) benefits include:

- More printing in less space*
- Low capital investment
- Proven, exciting new premium products from Kodak
- Reduced complexity and operating costs
- Efficiency that's 1-2-3 Easy - One sku delivers two finishes (gloss and new, improved satin) in three sizes (4x6 in., 5x7 in. and 6x8 in.)
- Trusted KODAK Quality prints that are stain resistant, waterproof and will last a lifetime**
- Incredibly easy to use - train your staff in less than an hour
- Produce greener prints with less environmental impact - no processing chemicals, Consumes 70-90% less energy than comparable AgX minilabs***

APEX 40
