

Kodak Professional Endura Radiance Paper

Luxurious colors. Soft appeal. Fiery impact!

Endura Radiance combines our proprietary Metallic technology, premium **Endura** emulsions and a special overcoat to create a unique, new "RADIANT" look that brings images to life.

Today's consumers value quality, design and authenticity. They search for the extraordinary. They seek that which expresses their individuality and sets them apart from the crowd. This describes the foundation of **Endura** Radiance. A new true photo paper that delivers quality and longevity to images while offering a differentiated perspective to your clients' most treasured memories.

Kodak Professional Endura Radiance true photo paper delivers glowing colors and dimensional appeal. **Endura** Radiance is ideal for creating extraordinary portraits, landscapes, displays, wraps, and sports products to push the boundaries of what a professional paper can do. Elevate your images, and your business, with new **Endura** Radiance paper.
