

New instant products and a streamlined customer workflow.

Kiosk and printer station configured for customer use.

The **Kodak Moments** Retail Software Version 11.0 introduces an expanded line of even more instant personalized products that your customers can create with the same trusted **Kodak Moments** quality they love.

In addition to the new product offerings, bug fixes and improvements with the software update, the Self-Service Print Station introduces a brand-new customer workflow solution that reduces the need for clerk assistance.

Customer self-service printing for increased efficiency.

- Easy-to-use consumer-facing system that eliminates the need for employee labor.
- Customers can create orders at the **Kodak Moments** Kiosk then claim and pick them up directly at the Self-Service Print Station.
- Designed for high-volume instant printing retail locations.

Brand-new photo products available for in-store creation, ready in minutes.

Custom Photo Gift Wrap

Templates available for all occasions.

- Customers can personalize Gift Wrap for special occasions with photos and text in 24x26 and 24x72 sheet sizes.
- 6x6 customizable pattern is replicated across the full sheet.
- Supported on Epson Sure Color P6000 and Epson Stylus Pro 7890.

2x2 Acrylic Magnets

Perfect for display on a fridge or filing cabinet.

- Delightful miniature magnets put favorite photos at the center of family life.
- The crystal-clear acrylic face elevates a 2x2 print for a luxe look.
- This product can be sold as a single product or in sets with tiered pricing.

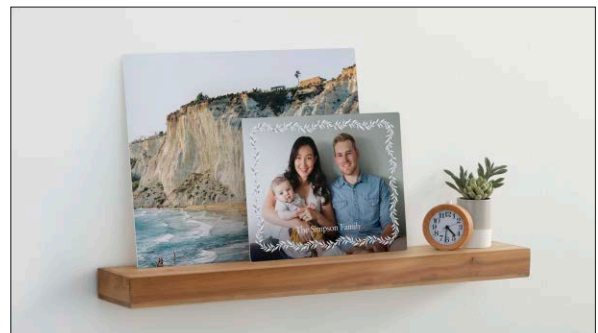

8x8 Photo Wall Tiles

A modern take on a classic gallery wall.

- Each mounted Wall Tile comes ready to hang with a sleek black frame.
- This product can be sold as a single product or as a set with tiered pricing.
- Customers can choose between full-frame prints or 1 inch white borders.

Photo Board Prints

Personalizable for home decor or special occasions.

- Available in 3 sizes with design templates and customizable text.
- Printed on a die-cut sheet for easy trimming and beautiful presentation.
- Supported on Epson Sure Color P6000 and Epson Stylus Pro 7890.
