KODAK ROYAL Digital Paper:

Are your customers asking for prints that make their images stand out from the norm? Prints that have the “wow” factor? KODAK ROYAL Digital Paper has that and more. It’s designed for customers who want their digital prints to be extraordinary. Prints on ROYAL Digital Paper exude **quality, convey dynamic color and detail...** and last a lifetime*. In addition, this silver-halide, color negative, digital paper delivers **exceptional sharpness, clarity, color reproduction, and color saturation** when exposed either digitally or optically. Pictures are crisp and bright **with natural-looking skin tones.**

Your customers can easily identify ROYAL Digital Paper by its thick support, which provides durability in handling, and by its distinctive gold KODAK ROYAL Digital Paper backprint.

Connect with Kodak’s powerful digital brand paper that allows you to command a premium price. Choose KODAK ROYAL Digital Paper.
